

“Next Step Soccer”

North Shore Soccer – Summer Camps ‘08

Attention all soccer players!

For our younger campers, Next Step Soccer will provide a fun, safe, challenging camp environment. Our knowledgeable trainers will motivate your children to succeed in learning specific skills, all the while having a great time. Next Step Soccer will teach our campers to be comfortable with the ball. The campers will also play small sided games, helping them become problem solvers on the field.

For Our Competitive Players the **Next Step Soccer CAMP** will be just that. Although our trainers will make your camp experience fun and exciting, you will be trained intensely. This does not mean overworked, but you will be pushed to succeed. Your camp experience will be like no other.
